OSUdance alumnae dance for camera works

The Department of Dance at the Ohio State University is pleased to announce a dance for camera works call for entries created by department alumnae.

This alumnae evening will be presented as part of our annual autumn dance on camera programs, and will be screened on **October 28, 2009** at 7:00 pm in Sullivant Hall Theatre. Works may have been created here at OSU, or after graduation.

The following genres will be accepted:

- Choreography for the Camera - original work made specifically for the video/film medium
- Live work transformed for the camera (performance documentation will not be adjudicated)
- Documentary - productions which include interviews or other educational elements in addition to dancing
- Experimental/Digital Technologies - work that extends the boundaries of the medium and exists only in the realm of video, film or new technologies

Works may not exceed 10 minutes TRT and in the interest of screening as many works as possible, shorter works are preferred. For those of you that have produced longer creative works or documentaries, we hope that you could put together a short or a section that is no more than 10 minutes in length. Work will be selected by panel and 8 to 12 works will be featured. You will be notified of decisions by September 15, 2009. Applicants submitting works must have graduated from the OSU Department of Dance in or prior to spring 2009. The postmark deadline for submissions is 5:00 pm **Friday, August 14, 2009**. Only Region 1 or All Region DVD formats will be accepted. Include a SASE if you wish your film returned. **Please direct inquiries to Julie Fox (fox.537@osu.edu)**
