#### PINTO AND POLLAK START THEIR 4 CITY TOUR IN CLEVELAND!

From the innovative minds of Israeli choreographer Inbal Pinto and director Avshalom Pollak comes *Oyster*, a magical and mysterious work that combines the dreamlike qualities of Fellini and the keen intellect of Pina Bausch. Enter a fantastic circus-world of wandering street acrobats and oddly beautiful creatures. Performers and dancers in doll-like make-up, spiky blonde wigs, and tutus alternately become puppets or puppeteers. The unique movement combines ballet, contemporary, mime and acrobatics in an unforgettable, magical evening.
